HALLOWED BE YOUR NAME

This is the opening request of the prayer that unites Christians worldwide in a unique way.

By placing it at the start of the Lord's Prayer, Jesus put special emphasis on this particular request. Perhaps we tend to underrate its significance because we relate more easily to the other requests? Or could it be due to the speed at which both church and state are drifting away from God?

One specific challenge pervades the Bible: Give God alone the glory! Israel's history is inseparably linked with the honour or dishonour of His Name. Whether we like it or not, the history of our nations stands and falls with the honouring of His holy Name. God does not change; He will not share His glory with another.

On Good Friday, March 30, 2018, we will come together in the Herald Chapel to lift up His holy Name, to confess sin and receive forgiveness, and to pray for His grace over our nation. You are warmly invited to join us.
